

Eco Club Pragjyotish College & Eco Club ASTEC

Eco clubs aims to empower students to participate and take up meaningful environmental activities and projects. It is a forum through which students can reach out to influence, engage their parents and neighborhood communities to promote sound environmental behavior. It will empower students to explore environmental concepts and actions beyond the confines of a syllabus or curriculum. While everyone, everywhere, asserts the importance of 'learning to live sustainably,' environment remains a peripheral issue in the formal education system. Eco Club Pragjyotish College was constituted on 12th August 2022. Pragjyotish College is already registered under ASTEC Eco Club Society.

Objectives:

- Motivate the students to keep their surroundings green and clean by undertaking plantation of trees.
- Promote ethos of conservation of water by optimizing the use of water.
- To develop skills of observation, experimentation, survey, recording, analysis, reasoning needed for conserving environment through activities
- Organize seminars, debates, lectures and popular talks on environmental issues in educational institutions to motivate the students to keep their surroundings green and clean.

Future plan:

- To create environmental awareness among the School & College students
- To organize Environmental campaigns
- To start a nature photography club.
- To organize Nature Walk
