Today we visited the office of the Assam Skill Development Mission (ASDM). The main purposes of the visit were

- ① To know about the collaboration of our college with ASDM
- & ② To know about the opportunities of internship of our students through ASDM.

We met Shri Pinku Choudhury, Assistant Skill Project Manager, Social Mobility & Capacity Building.

We had discussion with Shri Choudhury & inspected the facilities available for our students in the office. Finally we decided that

- ① A survey will be conducted to find out the interested students who are really eager to go for entrepreneurship development.
- ② A motivational talk will be organised for our students to make them aware about the opportunities for skill development and placement guarantee for them.
