COLLEGE AT A GLANCE

Pragjyotish College is a premier educational institution in the state of Assam has been imparting quality education for decades now. The institution has always taken a lead in the dissemination of knowledge providing opportunities for cultural exchanges and extra-curricular activities. The founder of this prestigious College was Pt. Tirthanath Sarma, an eminent scholar and litterateur, whose name is etched in the field of education especially in the context of Sanskrit literature. His hard work and dedication had led to the establishment of this prestigious institution on 1st September, 1954 – seven years after independence, with the aim to educate and enlighten the common people of Assam specially the youth and to protect them from the social ills prevalent in the society. Thus, the motto of the college was set as *Tejasvinavadhitamashtu* (तेजस्विनावधितमष्टु)

The college which began with only 1 stream has managed to introduce UG programs in different 5 streams (as per Gauhati University nomenclature) viz. Science, humanities, commerce, management and IT, apart from PG programs, diploma and certificate programs. The college is adorned with a green and serene campus spread, spread over an area of about 7.35 acres of land in the heart of the Guwahati city, and only about 25% of built-up area at present. The college is permanently affiliated to Gauhati University under sections 2 (f) and 12 (B) of the University Grants Commission Act, 1956.

Pragjyotish College is currently one of the leading institutions of higher education in the north-eastern region of India. The college alumni have made their marks in various fields ranging from education, sports to cultural activities. The students of the college actively participate in wide-ranging extra-curricular activities. PRINCIPAL'S MESSAGE

It is a matter of privilege and pleasure to publish this edition of Perspective Plan of Pragjyotish College for the period 2019-2024, which strongly reflects our institutional commitment to lay the foundations for a quality higher educational institution, strategized through an array of qualitative initiatives. Already completing more than six decades of its glorious existence, our college had been making rapid strides both in academics as well as in the domain of extra-curricular accomplishments. The college has made exemplary growth from its inception till date. Today, it is not only one of the most distinguished undergraduate co-educational institutions in the entire NE region but is also the college of first choice by many, with post-graduate programs being offered in as many as four subjects. The college boasts of a current strength of about more than 100 accomplished faculty members and about 3500 students. The college is also proud of its very supportive administrative and non-teaching staff, providing a liberal, lively and competitive environment, which has enabled our learners to carve out a niche for themselves in their respective fields. The Internal Quality Assurance Cell (IQAC) of the college has been taking a slew of quality initiatives in the recent past, so that we can gallop ahead into the new millennium, leaving behind a trail of excellence not only in our own State but also beyond into new frontiers. The present document has also been documented under the active initiative of the IQAC.

With these few words, I am happy to put forward this all important institutional document, which I strongly believe will guide us towards academic as well as administrative excellence within the targeted period. I urge upon my beloved Pragjyotish College fraternity to join hands in our concerted efforts towards fulfillment of our cherished dreams.
