MESSAGE FROM THE PRINCIPAL

It is a matter of utmost privilege and pleasure to extend a warm and heartiest welcome to all the students desiring to take admission in different programs being offered in this premier higher educational institution of the NE region. Pragjyotish College had made its humble beginning, under the initiative of a group of visionary leaders of the region. The college has made exemplary strides from its inception till date. Today, it is not only one of the most distinguished co-educational institutions in the entire NE region but is also the college of first choice by many, with programs ranging from higher secondary up to post-graduate. Students from all over the NE region have been nourished here and have excelled in the chosen areas of interests, both in academics as well as extra-curricular accomplishments. The college provides a liberal, lively and competitive environment enabling our learners to carve out a niche for themselves in their respective fields. Amidst various odds, we braved to assess and accredit our institution through the National Assessment and Accreditation Council (NAAC) and also through National Institutional Ranking Framework (NIRF). The college has also obtained ISO 9001 : 2015 certification and has also earned the distinction of being the official signatory of the SDG Accord.

We believe in all-round development of our students. Apart from academic pursuits, great emphasis is laid on a range of co-curricular activities, discipline and character building of the students. Pragjyotish College has a unique distinction: it has a full-fledged National Cadet Corps (NCC) Unit with four wings-Army, Navy, Air and the Girl's Wings. In addition, the National Service Scheme, Red Ribbon Club, Bharat Scouts and Guides and the Youth Red Cross of the college provides our students a platform and ample opportunities for social involvement.

With these few words, I once again warmly welcome you to this august institution and pray to the Almighty for resounding success and excellence. I sincerely wish that after admission you not only get actively involved with the corporate life of the college, but also display exemplary excellence in the academic front, thereby embedding your name in the long and glorious list of proud alumni of our college.

A handwritten signature in blue ink, which appears to be 'Manoj Kumar Mahanta'.

Dr. Manoj Kumar Mahanta,
Principal
Pragjyotish College

PRAGJYOTISH COLLEGE

A BRIEF HISTORICAL ACCOUNT

Pragjyotish College, founded on 1st September 1954, is the first college established in Guwahati, the largest metropolis in Northeast India, after independence. It became a beacon of learning and a symbol of aspirations for the common people of Assam, raring to build a new nation. Pandit Tirthanath Sarma, eminent scholar and litterateur, responded to and actively participated in the nation building by taking charge as the founder Principal of Pragjyotish College. From its modest inception as an arts college, Pragjyotish College has now developed into one of the premier institutions of higher education in Guwahati. At present, it is a well-known full-fledged under-graduate college imparting higher education in multiple streams.

Situated on the western bank of the Bharalu, a rivulet, in the heart of Guwahati city, Pragjyotish College is about 1 kilometer away from its confluence with the mighty Brahmaputra. It is about 4 kilometers from the Guwahati Railway Station and at a distance of about 20 kilometers from the Lokapriya Gopinath Bordoloi International Airport. At the backdrop of the college is a beautiful panoramic view of Nilachal Hills, the famous abode of Mother Goddess Kamakhya. In the emblem of the college, is ingrained the motto – “तेजस्विनावधीतमस्तु” (May our study make us illumined) and a conch shell at the centre on an eight-petalled full-blown beautiful-lotus, which symbolizes pure knowledge and the relationship between the teacher and the learner, praying to the Almighty for energy, protection, maintenance that ultimately leads to peace and bliss. In its glorious existence of six decades, Pragjyotish College, as alma mater, has produced a galaxy of eminent personalities in all walks of life. The college celebrated its Diamond Jubilee Year during 2013–14. The college is recognized under Sections 2(f) and 12(B) of UGC and is accredited by NAAC.

CO-CURRICULAR AND EXTRA-CURRICULAR PROVISIONS

In addition to the prescribed courses of study, the college encourages and motivates the students to organize and actively participate in various co-curricular activities such as games and sports, drama, fine-arts, literary and cultural activities, debating, symposium, and so on from time to time.

BHARAT SCOUTS AND GUIDES (BSG): The College has a vibrant BSG unit of Rover Crew and Ranger Team for the boys and girl students respectively, registered under The Bharat Scouts &

Guides (BSG), Assam. The unit imparts regular training courses and organizes camping, community and adventure activities throughout the year.

Coordinator, Bharat Scouts & Guides:

Gaurav Das

Assistant Professor (Contra.), Department of Management

BRIDGE COURSES/ ORIENTATION PROGRAMS: At the beginning of new academic session, several departments organize introductory sessions in the form of bridge courses for the newly admitted students, not only for giving them a broad overview of the institution, but also to help them understand the curriculum and broad perspectives of the subject they will be required to study in the next few semesters. The PTNS Library of the college organizes library orientation programs for making the newly admitted students acquainted with the library facilities, provisions and other rules/ regulations.

BIS CLUB:

Mentor:

Dr. Samrat Dey

Assistant Professor, Department of Physics

COMMUNITY DEVELOPMENT CELL:

The CDC is committed towards carrying out various community development works under the framework of an institutional Community Development Policy, which are executed with active student-teacher participation, along with NCC/NSS cadets.

Coordinator:

Dr. Manjit Kumar Mazumdar

Associate Professor, Department of Geology

CULTURAL ACTIVITIES: Various cultural activities are held inside the college campus at different times of the year. Cultural programs are organized in every department on the occasion of departmental freshman social and farewell functions, while a wide spectrum of other such programs is held during the annual College Freshman Social event and the Annual College Week. Activities like folk dance, modern dance, one act plays, street plays, group songs, solo songs etc. are performed in the college campus on various occasions like Annual College Week Festival, Foundation Day, etc. Faculty members of the Performing Arts Department coordinate most of the cultural activities, with logistic support of the PCSU secretary in-charge of cultural affairs.

DIGITAL LEARNING CELL:

Nodal Officer:

Dr. Namita Das

Associate Professor, Department of Economics

EDUCATIONAL EXCURSIONS, FIELD WORKS AND INSTITUTIONAL VISITS: Several departments organize these programs and activities for the students. For some subjects, these activities form part of the co-curricular activities. Faculty members from respective departments accompany the student groups during such programs.

EXTENSION AND OUTREACH ACTIVITIES: In order to develop social aptitude of the students, various extension education programs are organized from time to time in the fringe areas of the institution. These activities are primarily facilitated, coordinated and monitored by the Extension Education Advisory Committee.

GAMES AND SPORTS: The college provide facilities for games like volleyball, badminton, table tennis, carom, chess, etc. There are separate PCSU office bearers for general sports, minor sports, cricket and gymnasium. The indoor games are mostly held within the college campus while some of the outdoor games like kabaddi, football, cricket etc. are played in the Sonaram H.S. School playground. A MoU has been executed with Sonaram Higher Secondary School in this regard. A well-equipped Sports Library has been recently set up, for stock piling various sports equipment. A basket-ball court of size 27.7 metres x 12.70 metres has been developed

inside the college campus. A wide range of games and sport events are held during the Annual College Week, under active coordination of PCSU. Students also participate in various other similar events organized by external agencies outside the college campus from time to time. Students are encouraged to participate in collegiate, inter-collegiate, inter-zonal, inter-university, state, national and international level competitions.

HEALTH CARE ACTIVITIES: The college provide amenities for health well-being of the students and staff. A gymnasium hub with modern infrastructural provisions was set up in 2016 under RUSA grants. It caters to the physical well-being issues where membership is also provided to the residents of fringe localities at competitive fees. The **Gymnasium Hub** is under the supervision of a Gymnasium Instructor, who is in charge of collection of member subscription amounts as well as providing workouts instructions to all users. Provision has also been made for yoga classes by experienced instructors, at reasonable fees. Provision for availing martial arts training in the evening hours also exists for the interested students.

HOME ASSIGNMENTS AND STUDENT SEMINARS: Students of several departments are required to submit home assignments and participate in student seminars on topics that are allotted from the syllabus of the concerned semester in which a student is studying.

INSTITUTIONAL BIO-TECH HUB: An Institutional level Bio-tech Hub (IBT-hub) was established in the college in the year 2013 with some sophisticated instruments and apparatus necessary for enhancing hands-on-training skill and to make teaching/learning Biology/Biotechnology/Bioinformatics/Biochemistry etc. more attractive. The IBT-hub was sponsored by DBT, Govt. of India through BCIL and managed by North-East Biotechnology Programme Management Cell.

LANGUAGE LABORATORY: One of the latest additions is the Language Laboratory which has come into existence in 2017 to meet the growing demands of students who are keen to develop their speaking skills, soft skills and personality. Set up on the second floor of the C-Block, the language laboratory includes a hall and a studio-cum-observation room. The air-conditioned laboratory is equipped with 15 multi-media computer sets (provided by RUSA) with headphones. Six language departments viz. Assamese, Bengali, Bodo, English, Hindi and Sanskrit share this laboratory. Each department is free to design and conduct crash courses for improving the language skills, particularly the speaking skills of the students. Moreover, the language departments have plans to jointly conduct some programs and workshops on translation studies.

LITERARY ACTIVITIES AND PUBLICATIONS: The annual college magazine PRAGJYOTISHIYA is the springboard for shaping the literary and other creative interests of the students and teachers alike. Articles, creative write-ups, reviews as well as achievements of educational, cultural, social and sports activities of students and teachers of the college are published in this annual mouth-piece. The magazine is edited by a student editor under the guidance and supervision of an Editorial Board. Over and above, several departments publish departmental newsletters on a periodical basis. Every department has their own departmental wall magazines. Almost all departments have individual wall-magazines which serve to portray the literary and creative interests of the students. Several departments publish departmental newsletters on a periodical basis, which also provides ample opportunity to the departmental students to publish their write-ups.

NATIONAL CADET CORPS (NCC): The NCC unit of the college is full-fledged, with four different wings viz. Army, Navy, Air and Girls". Regular training is imparted to the students throughout the year under trained Associate NCC Officers. The cadets participate in various activities and events throughout the year.

NATIONAL SERVICE SCHEME (NSS): The NSS was introduced in the college in 1978 with financial aid from Govt. of India. Under this scheme, students render social service in backward rural areas and also undertake adult education programs. NSS volunteers of the college get the opportunities to participate in various social programs, both at the national and international levels.

Programme Officer:

Dr. Nandita Rajbangshi

Assistant Professor, Department of Hindi

PRAGJYOTISH COLLEGE STUDENTS' UNION (PCSU): The PCSU is the general body of the students of the college. Its membership is compulsory for every admitted student of the college. The PCSU has its own distinct Constitution. The office bearers are elected annually through the method of direct voting. Faculty members are nominated for every PCSU office bearer for coordinating and monitoring the allotted activities. To ensure the welfare of the students and to inculcate a culture of democracy on campus, the PCSU works for different varieties of student-centric activities. The PCSU endeavors to foster and promote fraternity, mutual understanding and sense of responsibility among the students through a host of activities. It organizes games and sports, debates, cultural and social activities among the students. The General Freshman Social and Annual College Week of the college is held under the direct coordination of PCSU.

- To provide basic information about opportunities for self-employment and entrepreneurship and support system available
- To provide assistance to students for recruitment in various organizations from time to time
- To provide job-oriented training to students seeking jobs.

PANDIT TIRTHANATH SARMA LIBRARY

History: The PTNS Library was established in 1954 by Pandit Tirthanath Sarma, the founder principal and an eminent scholar, in a tiny room attached to his office at Sonaram H.S. School with a modest collection of about 150 books. In 1963, the library was run in one room with a collection of 700 books. The library developed continuously and it was shifted to its own permanent building in 1991. At that time, the library collection was nearly 35,000 books. The college library was named after Pandit Tirthanath Sarma on February 24, 1995. Since its inception, the college library is striving for providing maximum support to the students as well as teachers in the teaching learning process. The library is very rich in terms of collection of Assamese and Sanskrit Literature. Presently, the library is running with Radio Frequency Identification (RFID) Technology. The library is linked up with INFLIBNET. Besides other modern services, the Pandit Tirthanath Sarma Library provides access to e-journals facilities to its users through the program entitled National Library and Information Services Infrastructure for Scholarly Content (N-LIST) under National Mission on Education. The entire first floor of the library building is presently running on solar power system.

Library Timings: The library remains open in all working days. Even during summer and winter breaks, the library remains open.

Library Hours: 9:30 am – 04.00 pm

Book Issue Timings: 10:00 am – 4:00 pm

Library Membership: Library membership is given to all students, teachers, and other staff of the college only.

Library Cards: Smart Library Cards are provided to all the members of the library. These cards are mandatory to enter the library. The digital attendance system of the library also operates with the smart library cards. Students can borrow and return library books through the self-service kiosks by using these smart library cards.

U.G. students having Major/Honours subjects can borrow **four** books at a time.

A.S., B.B.A., B.C.A., M.A., M.Sc. and M.T.M. students can borrow **two** books at a time.

Book Bank: A book bank, sponsored and financed by the UGC has been maintained by the college since 1971. Poor and meritorious students are provided with books from the book bank for a complete academic session.

Library Services:

1. The library has a well-equipped E-Corner with 10 computers

- Journals subscription: 16
- Magazine subscription: 05
- Newspaper subscription: 05 (both regional and national)
- e-Journals and e-books: Membership of N-LIST, linkage with NDL, NSDL, DOAJ, etc.

Reading Room cum Reference Section: The library has a spacious and well-equipped modern reading room accommodating about 72 students and a separate reading corner for teachers. Newspapers and periodicals are displayed in the reading room. Journals, magazines, periodicals and reference books are issued for use inside the reading room only. The library has a very good collection of dictionaries and encyclopedias in the reference section.

Special Service: The library has a United Nations Library Corner which contains lots of valuable and rare publications of UNESCO, WHO, etc. There are two reference corners in the library – North East India reference corner and Pandit Tirthanath Sarma reference corner, for advance learners. The family of Late Pandit Tirthanath Sarma donated his valuable collection of books to the library. Maximum books of this collection pertain to Sanskrit and English literature. In this collection, a lot of rare and old books are available, which caters to the needs of learners with special interests. The library has a good collection of books for career guidance. The library is very rich in reference books viz. encyclopedias, dictionaries, bound periodicals, record books, atlases, handbooks, etc.

Contractual/ Guest faculty members are recruited as per requirement			

Facilities:

The department has a small library with a modest collection of books, journals, and bulletins for partial catering to the needs of the students. Laboratory equipment such as original tools of the Prehistoric period; models and original human bones for anatomical study; Dermatoglyphic equipment; Serological (Blood grouping) equipment; different instruments are available in the department for taking anthropometric measurements. There are a good number of material culture collections.

Department Overview:

Our department fosters a vibrant learning environment through field research, museum visits, expert interactions, and student-led publications. Each year, we conduct in-depth demographic surveys of rural communities, providing students with hands-on experience and insights into rural lifestyles under the expert guidance of our faculty. Museum visits further enhance the curriculum, while talks and workshops by distinguished speakers offer valuable perspectives for our students. Students actively

contribute to the department's intellectual life. They produce the insightful wall-magazine *Antarikhya* and lead the publication of the annual newsletter *Unigration*. Class seminars offer a platform for students to present their research, further developing their academic skills. Recognizing the value of student achievement, we host award ceremonies honoring university toppers and first-class holders. Our commitment to modern learning methods extends to online classes through platforms like Zoom, Google Classroom and Google Meet. A strong Alumni Association, established in 2019-20, nurtures ongoing connections.

Achievements:

Our department takes pride in the outstanding academic results of our students in both Higher Secondary and degree examinations. Students consistently achieve high marks, and we are honored to have former students secure top state ranks. Notable past achievements include:

2019: Nandini Deka (TDC Arts) – First-class First position; Darshana Das (TDC Science) – First-class Second position; Grace Rosangpui Khowbang (TDC Science) – First-class Third position.

There is a research laboratory in the Department to encourage the research amongst the post graduate students and have published research papers with famous research institutions at national level. M.A./M.Sc. programs (self-sustaining mode) have been introduced in the Department from the academic session 2018-19. A substantial proportion of postgraduate students have graduated with first-class.

Students are given membership of the *Economic Planning Forum*, established in 1964, through which co-curricular/ extra-curricular activities are conducted. Students are encouraged to contribute to the Departmental wall magazine *OIKONOMIA* and Departmental e-magazine *E-PRAGONOMIST*. An important aspect of the Department has been the publication of its newsletter *Arthabarta*. The initiation of the *Environment Care Society* by the students of the Department has yielded significant contributions towards the enhancement of the environment within and surrounding the college campus.

Activities: The Departmental activities transcend conventional boundaries, encompassing a diverse array of endeavors such as memorial lectures, study tours, socio-economic surveys, popular talks, and outreach programs and plant visits for both undergraduate and postgraduate students. These initiatives are orchestrated under the auspices of the Economic Planning Forum. Moreover, the faculty members go above and beyond to cater to the academic requirements of the students, extending their care through personal home visits. The Department annually organizes *Bhabananda Deka Memorial Lecture*. Late Deka, a founder teacher of the Department and the third Principal of the College, was a pioneer in writing books on economics in Assamese. The 14th *Bhabananda Deka Memorial Lecture* was delivered by Dr. Saswati Choudhury, Director (i/c), Omeo Kumar Das Institute of Social Change and Development on the topic *Public Policy and Interface of Politics and Economics* organized on 10th October 2023. Students and parents are encouraged to interact with the faculty members of the Department. Parent-teacher meets are held regularly per semester. The Department is actively associated with SAESM (South Asian Economics Students Meet) from its inception since 2004. The annual SAESM is a conference of undergraduate students majoring in economics in different colleges and institutions across South Asia. The UG and PG students of the Department Actively participated in the Training Programme for Students From Educational Institutions, Freshers, New Appointees on *Formation of Cooperative Societies* Organized by National Cooperative Union of India, New Delhi from 29th January to 2nd February, 2024.

It organized a UGC-sponsored National Seminar on *Role of NGOs in Economic Development with Special Reference to the North East Economy* in September, 2013. The seminar deliberation was published as an edited volume (ISBN: 978-81-7213-229-3) and released on 1st September, 2014. So far five survey reports, based on socio-economic surveys by students under the supervision of the Faculty Members, were published. One of the former students was selected to present a paper as a member of the Indian team at the SAESM meet in 2011, hosted by Ramjas College, Delhi University. So far the Department has produced many first class achievers. An Entrepreneurship Development Cell (EDC) under the Economics Department has been established in collaboration with Indian Institute of Entrepreneurship (IIE), Guwahati for providing students with guidance in entrepreneurship development. One of the achievements of the Department is a Major Research Project completed successfully by Dr. Bidyut Bikash Baishya, funded by ICSSR, New Delhi. Two other UGC sponsored minor research projects were also successfully completed by Dr. Ira Das and Dr. Bidyut Bikash Baishya. Dr. Baishya is also one of the co-investigators of a Minor Research Project funded by ASTEC, Guwahati. The Department has been awarded the **Best Research Publication Award for publishing highest number of research publications** (jointly with the Geography Department of the college) for the year 2023. Dr. Masum Ahmed also secured the Best Research Publication Award at individual category for the same. Furthermore, the Department has published an edited book titled "Contemporary Issues and Challenges of North East India," on December 27th, 2023. The first issue of the newsletter *Arthabarta* was inaugurated by Prof. Deepak Dhar Borah, former HoD of this Department during the Alumni Meet organized by Economics Department Alumni Association (EDAA) on 8th March 2020. The 2nd volume of the newsletter was also released and a digital version of the 2nd issue is also available on the college website. The department is dedicated for the overall development of the students and as a part of outreach programme, the UG and PG students of the Department along with faculty members visited the Assam Legislative Assembly on 5th April, 2023. The Department also takes the privilege of organizing an International Webinar on the topic *Assam's Development Lag: Challenges and Way Forward* during the

COVID-19 pandemic on 16th August 2020. A National Webinar was also organized successfully by the Department in collaboration with National Cooperative Union of India (NCUI), New Delhi on the topic *Successful Cooperative Business Models* on 03.03.2022 with more than 100 participants. As a facet of our societal obligation, the Department, in collaboration with the Economics Department Alumni Association (EDAA), undertook the adoption of Village Chamuapara under the Sipajhar Constituency. A memorandum of understanding (MoU) was duly signed on 08.03.2022 to formalize this endeavor. As a part of the MoU, an Animal Welfare Camp was organized in collaboration with Rotary Club of Gauhati South and College of Veterinary Science Assam Agriculture University (AAU) on 10.04.2022. Another Cancer and Health Awareness Programme was also organized at the adopted village Chamuapara. Another MOU was signed with Pandu College and activities are organized jointly with the Department of Economics, Pandu College. NET/JRF Orientation classes are organized regularly by the Department for the Students of PG 2nd Semester and 4th Semester. An add-on course on *Data Analysis and Presentation on Social Sciences* was successfully completed and two other add-on courses on *Introductory Economics for Competitive Examinations* for UG students and *Intermediate Economics for Competitive Examinations* for PG students are being run by the Department for the current academic session.

Samrat Dey	Assistant Professor	Condensed Matter Physics	3
Ranjan Kalita	Assistant Professor	Optics	2
Bandita Deka	Assistant Professor	Electronics	1
Dr Devabrat Mahanta	Assistant Professor	High Energy Physics	3

Department at a glance: The Department of Physics was started in 1958, first offering Pre-University courses. The Physics Undergraduate (General) course was introduced in the year 1960, and subsequently the undergraduate course in Physics (Honours) in the year 1968.

Facilities: The Department of Physics has three experimental laboratories equipped with a number of modern instruments, where the students perform experiments on various physics-based phenomena. Moreover, the laboratories offer the students and the faculty members a chance to undertake innovative investigations. Additionally, the department has a full-fledged computer laboratory and an ICT-enabled classroom. The computer laboratory is equipped with all the necessary facilities along with a high-speed internet connection, and the ICT classroom is well-equipped with audio-visual and multimedia facilities; in order to create a conducive learning environment.

Activities: The department organizes seminars, science quizzes, scientific talks and counselling on career advancement for the benefit of the students. Local excursion trips to universities, research institutions and other places of importance are organized occasionally. Additionally, the department organizes a wide range of scientific activities in collaboration with the *Indian Association of Physics Teachers – Regional Council 17 (IAPT-RC-17)*. Furthermore, a unique initiative of its kind named *Students as Teachers*, wherein a student plays the role of a teacher and conducts a class for all fellow students is organized regularly.

Achievements: The performance of the students of the department in the final examination of Bachelor of Science conducted by Gauhati University, has been consistently good. A number of students have been placed in the list of university rank holders (including the first position holder). Notably, several alumni from the department have obtained placements in various government departments and other non-government organizations. Furthermore, several alumni have been involved with advanced research works in Science and Technology, in institutes of national importance, reputed universities and research organizations.
