Message from the Principal

We are at the threshold of another new academic year 2019–20. The anticipation and excitement felt by the fresh students finds an echo in me and my esteemed stakeholders of Pragjyotish College. As we gear up for the year ahead, I would like to take this opportunity to heartily welcome all the students to this premier institution. Although I joined this college only one year ago on 29 June 2018, I feel myself specially privileged to be a proud member of this noble institution. I am grateful to the founders of this institution more particularly the Hon'ble Justice Holiram Deka, Pandit Tirthanath Sarma and many others who left no stone unturned to set up the college. In its glorious existence of more than six decades, the college has undergone remarkable changes and flourished.

The emblem of our college contains our motto: “तेजस्विनावधीतमस्तु” (May our study make us illumined). It is undoubtedly true that since its foundation on 1st September 1954, the college has strived to set new benchmarks of excellence in academia and public service. Now, our vision is to make the institution a centre of excellence that can serve the society and the nation in a better way by keeping pace with the changing needs of time. Today, Pragjyotish College is one of the most distinguished undergraduate and post-graduate institutions in the state. Education at Pragjyotish College is not about marks and grades only – it is the holistic growth that we the stakeholders are aiming at. We are indeed proud of our dedicated faculty and supportive non-teaching staff. Teaching, for us here at the college, is a lifetime commitment, a passion, a vocation rather than a job. Our faculties are continually engaged themselves to keep abreast of the latest developments in their own fields. Striving for excellence is our way of life. Commitment, dedication, inspiration, management, etc. are the factors which brought the college to the forefront of higher education in the state. Friends, the concern about ensuring quality in the higher education has led us to the need for evaluation of performance of the universities and colleges. Because of this concern, NAAC's accreditation is the need of the hour. Though the college has a distinct identity of its own, still I think, we have miles to go. The colleges in Assam have now confronted many challenges. So let us hope that Pragjyotish College, our second home with all its facilities available, will muster enough courage to cope up with the new challenges of time to make it a centre of excellence not only in the state but also at the national level.

With these few words, I once again warmly welcome you to this august institution and pray to the Almighty for your great success and excellence.

May our study make us illumined.

(Dr. Manoj Kr. Mahanta)
Principal

Pragiyotish College was established on 1st September 1954, seven years after Independence, it became a beacon of learning and a symbol of aspirations for the common people of Assam, raring to build a new nation. Pandit Tirthanath Sarma, eminent scholar and litterateur, responded to and actively participated in the nation building by taking charge as the founder principal of Pragiyotish College.

From its modest inception as an arts college, Pragiyotish College has now developed into one of the premier institutions of higher education in Gauhati. At present, it is a well known full-fledged degree college imparting higher education in Arts, Science and Commerce streams. The college has also three postgraduate departments viz. Assamese, Tourism Management and Economics. It is affiliated to Gauhati University and registered under 2(F) and 12(B) of the University Grants Commission Act, 1956. The College has the distinction of being assessed and accredited twice by the NAAC in 2003 and 2010 respectively. Preparations are going on in full swing for the third round of the NAAC accreditation.

Situated on the bank of the Bharalu, a rivulet, in the western part of Guwahati, Pragiyotish College is about 1 km away from its confluence with the mighty Brahmaputra and about 4 kms from the Gauhati Railway Station and at a distance of about 20 kms from the LGBI Airport. At the backdrop of the college is a beautiful panoramic view of Nilachal hill, the famous abode of Mother Goddess Kamakhya. At the entrance of the college, the two beautiful ponds present a serene atmosphere for pursuing knowledge and excellence.

In the emblem of the college, is ingrained the motto “तेजस्विनावधीतमस्तु” (May our study make us illumined.) and a conch shell at the centre on a eight-petaled full-blown beautiful-lotus, which symbolizes pure knowledge and the relationship between the teacher and the learner, praying to Almighty God for energy, protection, maintenance that ultimately leads to peace and bliss.

In its glorious existence of sixty-five years, Pragiyotish College, as alma mater, has produced a galaxy of eminent persons in all walks of life. The college celebrated its Diamond Jubilee Year (2013–14).

Motto of our College

तेजस्विनावधीतमस्तु
Tejasvinavadhitamastu
 (May our study make us illumined.)

Our Vision

To fulfil their visionary aspirations of the regional youth segment through a process of vibrant and continuous innovations and initiatives in multiple spheres of academic as well as professional development, leading to the fullest realisation of the potentials of the students.

Our Mission

- To make teachers and the taught partners in the learning process.
- To promote a student friendly atmosphere for encouraging them to be self-reliant and self-employable.
- To promote extra-curricular activities simultaneously with curricular activities.
- To mould the students into socially conscious human beings
- To encourage students to think globally and act locally as productive citizens, through the promotion of scientific temper and action
- To foster and inculcate moral and spiritual accomplishments amongst the students
- To develop a transparent and responsive administration
- To undergo self-analysis and self-discovery leading to elimination of bottlenecks in the context of a holistic framework

The Emblem

The conch on the eight-petaloid full-bloomed graceful lotus symbolises pure knowledge. तेजस्विनावधीतमस्तु (Tejasvinavadhitamastu), the inspiring Motto of our college, speaks: May our study make us illumined. The aims, objectives and ideals of education are epitomised in this great saying of Taittiriya Upanishad (Ch. II Brahmananda Valli, Section 1, Invocation).

The design and style of the uniform must be formal.

PG:

For Girls: Formal kurta of blackish blue thin stripes on off-white colour decorated with the college emblem and blackish blue *churidar*, and navy blue *dupatta* and navy blue sweater decorated with the college emblem. The design and style of the uniform must be formal.

T-shirts and jeans trousers (designed by any department) are not allowed in the classroom and on the college premises.

c. Maintenance of Discipline:

The students must observe complete silence on the college premises. They must not loiter aimlessly within the college campus. Students must spend their spare time/off periods in such a way that will not cause any interference with the work of others. Cell phones are strictly prohibited in the college campus. Students found using cell phones are liable to face disciplinary action including the seizure of the cell phones by the Discipline Maintenance Committee members. Students should, in their own interest, read everyday all the notices displayed on the notice boards from time to time, and be fully aware of the information displayed thereon. Students are also advised to browse through the institutional website for various updates.

d. Ragging:

Ragging is a punishable offence under the Indian Penal Code (IPC). The Hon'ble Supreme Court of India has ordered all universities and their affiliated colleges under the University Grants Commission (UGC) to state it clearly in their prospectus that if any incident of ragging comes to the notice of the authority, the student involving in ragging shall be given liberty to explain and if his/her explanation is not found satisfactory, the authority would expel him/her from the institution. (UGC letter No. F.1-8/2006 (CPP- II) February, 2008).

e. Students' Identity Card:

Every student is issued an identity card at the time of admission. The card which is non-transferrable contains information about the holder, such as Name, Session, Class, Roll No, Combination of subjects, etc. It also contains a passport size photograph of the student duly endorsed by the Principal. It is mandatory for every student to carry the identity card with him/her so that it can be produced whenever necessary.

f. Internal/Sessional Examination:

Students must appear in unit tests/sessional examinations, held for each subject of each class in all the streams during the academic calendar. Allowing a candidate for the Final Examination will be determined by the overall performance of the student in the unit tests/sessional examinations, class attendance, etc. Internal Assessment will be done taking into account the students' attendance, assignments, seminar presentation, performance in the unit tests/sessional examinations, etc.

Three-Year Undergraduate Courses

Gauhati University has decided to implement CBCS in all the undergraduate programmes from the 2019–20 academic session. The salient features of this system are detailed below:

1. The Choice Based Credit System (CBCS)

The Choice Based Credit System is the logical next step in a credit based semester system becoming more learner-centric. The UGC has recommended that it is desirable for all institutions of Higher Education in the country to move to a CBCS and, together with it, implement a uniform grading system.

2. Undergraduate CBCS (UGCBCS) Programmes

The undergraduate degree programme in the **CBCS** will have courses spread across six- semesters.

A typical semester will comprise a minimum of 15 weeks of academic work that will translate into 90 actual teaching days. Two consecutive (one odd and one even) semesters will make up an academic year. An UG course shall be of Six Semesters covering three Calendar Years (Academic Sessions – June to May). The duration of the Odd Semesters (First, Third and Fifth) shall be June to November, and that of Even Semesters (Second, Fourth and Sixth) shall be December to May.

3. Structure of courses and credits of the UGCBCS programmes

The term undergraduate degree programme denotes programmes like BA, BSc, B Com, BCA, BBA and all other such programmes where the requirement for award of a degree is the successful progression of the student through six semesters of academic work. Each course will have credits, assigned on the basis of course related activities, which a student will earn through satisfactory fulfillment of the academic requirement of the course. An undergraduate degree programme with Honours in a discipline will have a course credit requirement of 148 credits while an undergraduate degree programme without Honours will require a student to earn 132 course credits.

Note:

Wherever the University requires that an applicant for a particular MA/MSc/Technical/Professional course should have studied a specific discipline at the undergraduate level, then obtaining 24 credits in the concerned discipline at the undergraduate level may be deemed sufficient to satisfy such a requirement for admission to the MA/MSc/Technical/Professional course.

3.1 The medium of instruction and examination will be English or Assamese, except in language courses.

4. Nature and Nomenclature of Courses

In line with the UGC's guidelines, the courses are categorized as Core courses, Elective courses or Ability

Enhancement courses

- a. **Core Course.** A Core course is a course that has to be compulsorily studied.
- b. **Elective Course:** An Elective course is to be chosen by the student from a pool of such courses on offer and will essentially be of three types: DSE, GE & SEC
- c. **Discipline Specific Elective Course (DSE):** An Elective Course which is offered by the main discipline.
- d. **Generic Elective Course (GE):** A Generic Elective Course is offered by an unrelated discipline and has the objective of broadening the academic experience of a student. A Core Course offered in a discipline may be allowed as an Elective to a student from another discipline. This course will be treated under the category of Generic Elective Courses. Generic Elective Courses are not available to students in a BSc Regular (General) program while BA & BCom Regular (General) programme will require to take up two such courses only in the 5th and 6th Semester.
- e. **Dissertation/Project:** All students enrolled in an undergraduate degree programme (Honours and non-Honours) will have the option of choosing to undertake Project/Dissertation work for 6 credits in lieu of a 6 credit Discipline Specific Elective (DSE) course in the sixth semester only.
- f. **Skill Enhancement Courses:** Skill Enhancement Courses will be value based or skill based and there will be a pool of courses on offer. A student enrolled in an undergraduate degree programme with Honours will have to take up a minimum of two SEC courses of 4 credits each as part of the programme requirement in the 3rd and 4th Semester respectively. For students enrolled in non-Honours undergraduate degree programmes the credit requirement from Skill Enhancement Courses will be 16 credits and will be offered from the 3rd Semester to the 6th Semester (one paper in each Semester).
- g. **Ability Enhancement Courses:** Ability Enhancement Courses which are to be taken up by students in an undergraduate degree programme will be of two types: a) Communicative English/Communicative MIL b) EVN (Environmental Science)

These 4 credit courses are mandatory for every student enrolled in an undergraduate degree programme. Students will have to select either Communicative English or Communicative MIL (such as Assamese, Bengali, Hindi, Bodo) in the First Semester itself. Therefore, in the Second Semester they will have to take EVN as their AECC. B Sc Students will have to take Communicative English only.

5. For the purpose of computation of work-load the following mechanism is to be adopted:

- 1 Credit = 1 Theory period of one hour duration
- 1 Credit = 1 Tutorial period of one hour duration
- 1 Credit = 1 Practical period of two hours duration

College Library

Name of the Central Library:

Pandit Tirthanath Sarma Library

Year of establishment: 1954

Librarian Name:

Unindajyoti Choudhury

E-mail: ptnslibrary@gmail.com

[jyotiuninda@gmail.com](mailto: jyotiuninda@gmail.com)

History: The Library was established in 1954 by Pandit Tirthanath Sarma, the founder principal and an eminent scholar, in a tiny room attached to his office at Sonaram HS School with 150 books only. In 1963, the library was run in one room with a collection of 700 books. The library was developed continuously and it was shifted to its own building at 1991. At that

time, the library collection was nearly 35,000 books. The college library was named after Pandit Tirthanath Sarma on February 24, 1995. Since its inception, the college library is striving for providing maximum support to the students as well as teachers in the teaching learning process. Our library is very rich in terms of Assamese and Sanskrit Literature Collection.

Now the Library is running with Radio Frequency Identification (RFID) Technology. The Library is linked up with INFLIBNET. Besides other modern services Pandit Tirthanath Sarma Library provides access to e-journals facilities to its user through the program entitled "National Library and Information services Infrastructure for Scholarly Content" (N-LIST) under National Mission on Education through information communication technology (ICT).

Library Timing: Our College library remains open in all working days. In Summer and Winter breaks, the library remains open.

a) Library Hour: 9:30 am–4:30 pm

b) Book Issue Time: 10:00 am–4:00 pm

Library Membership:

Library membership is given to all students, teachers, and other staff of the college only.

Library Cards:

We provide Smart Library Cards to all the members of the library. This card is mandatory to enter the library. The

digital attendance system of library is also running with the smart membership card. Student can borrow and return library books by using this smart library card with the help of self service KIOSK.

The **UG students** with Major/Honours subject can borrow **four** books at a time.

The **UG students** of the general course can borrow **two** books at a time.

The HS, BBA, BCA, MA, MTM students can borrow two books at a time.

Book Bank:

A book bank sponsored and financed by the UGC has been maintained by the college since 1971. Poor and meritorious students are provided with books from the book bank for a complete academic session. The book bank has a very handsome collection. To cater to the needs of the students, the book bank purchases new books as early as possible.

Library Services:

1. To save the time of the users the library is running with Online Public Access Catalogue (OPAC).
2. User can borrow and return their library books with the help of self-service KIOSK.
3. Internet and e-mail facilities are also available at the library.
4. Entire library building has Wi-Fi connectivity.
5. The library provides reprographic service at a nominal cost.
6. Library books are issued to the students for fifteen days. The books can be renewed for another week. Renewal and reservation of important books facilities are also available.
7. The library digitally displays current books and journals.
8. The current journals and magazines are displayed in the reading room itself.
9. The library provides document on career development.
10. The library provides user orientation programmes for both teachers and students.
11. The library updates the digital information display board regularly.
12. The entire library is under the CCTV surveillance.

Library Collection:

Total No. of books: 60,386

No. of journals: 16

No. of magazines: 05

No. of newspapers: 14 (both regional and national)

e-Journals and e-books: Membership of N-LIST, linking with NDL, NSDL, DOAJ, Project Gutenberg, etc.

Special Collection of the Library:

The family of Pandit Tirthanath Sarma donated his valuable collection of books to our library. The maximum books belong to the Sanskrit literature and English literature. In this collection a lot of rare and old books are available, which help advance learners of our Library.

Reading Room cum Reference Section:

The library has a spacious and well equipped modern reading room which accommodates 72 students and a separate reading corner for teachers. Newspapers and periodicals are displayed in the reading room. Journals, magazines, periodicals and reference books are issued for the reading room only. The library has a very good collection of dictionaries and encyclopedia in the reference section.

Special Service:

The library has a United Nations Library Corner which contains lots of valuable and rare collection published by UNESCO, WHO, etc. There are two reference corners in the library – North East India reference corner and Pandit Tirthanath Sarma reference corner – for advance learners. The library has a good collection of books for career guidance. The library is very rich in reference books– encyclopedia, dictionaries, bound periodicals, record books, atlases, handbooks, etc.

Entire First floor of the Library Building is running on Solar Power System.

Hostel and Other Facilities

Girls' Hostel

The college has a girls' hostel named Amalprabha Das Girls' Hostel in the campus for girl students of the college. Hostel seats are allotted after admission on the merit and first come first serve basis. Girl students who are willing to take admission to the hostel have to apply to the Principal in a plain paper along with photocopy of their mark-sheet and Permanent Residential Certificate (PRC). Conduct in the hostel is governed by the Pragjyotish College Hostel Advisory Committee. Students of both Undergraduate and Postgraduate classes are allowed to stay in the hostel.

Admission Fees	Rs.3,000

Dr. Reena Barman Kalita is the Convenor of the Girls' Hostel Monitoring Committee.

The boarders of Amalprabha Das Girls' Hostel will be provided with a self-defence training course free of cost on the College premises.

Boys' Hostel

A hostel will be arranged for boys in the academic session 2019–20. Limited seats are available on demand on the merit and first come first serve basis.

Language Laboratory

One of the latest additions to the infrastructure of Pragjyotish College is the language laboratory, which has come into existence in 2017 to meet the growing demands of students who are keen to develop their speaking skills, soft skills and personality. Built on the second floor of the English and Statistics building, the language laboratory includes a hall, a studio-cum-observation room and an open area with an attached toilet. The air-conditioned laboratory is equipped with 15 multi-media computer sets (provided by RUSA) with headphones. Six language departments – Assamese, Bengali, Bodo, English, Hindi and Sanskrit share the language laboratory. Each department is free to design and conduct crash courses for improving the language skills, particularly the speaking skills of the students. Moreover, the departments have plans to jointly conduct some programmes and workshops on translation studies. The Department of Hindi conducted the technical sessions of the national workshop on “Hindi Tatha Purvottar Bhashayon Ke Takniki Anuprayog” on 15th and 16th December 2017 in the Language Laboratory. In this academic session (2018–19) Hindi typing classes are regularly conducted in the Language Laboratory and its attendance records are properly maintained.

For details students may contact:

Nirendra Nath Thakuria: Coordinator Language Laboratory
Cell Phone No: 98640 90267; 88119 01996.

Scholarship and Stipend Facilities

- **RESEARCH JOURNAL:** PRAG CONSILIENCE (ISSN. 2456-6861, RNINo. ASSMUL/2016/70132)

A multi-lingual, multi-disciplinary, and peer-reviewed annual research journal titled PRAG CONSILIENCE has been published by Pragjyotish College Research Council (PCRC) of the college since 2016. So far three volumes have already been published.

This is the first research journal of its kind in the history of Pragjyotish College. The aim of the journal is to provide an academic platform to scholars to discuss issues focused particularly on the North Eastern Region.

PRAGJYOTISH COLLEGE PUBLICATION HUB

Constituted in 2016, the Pragjyotish College Publication Hub decided to republish some publications which are rare and most valuable for the nation. Accordingly the hub has brought to light Asom Keshori Ambikagiri Raychowdhury's Chetana (in seven volumes), a prestigious Assamese journal which was originally published one hundred years ago. This onerous task of editing and reprinting was done under the able leadership of Dr. Paramananda Majumdar. The hub has reprinted and published Semantics of Assamese Language, a scholarly work of the renowned linguist Dr. Bhagaban Chandra Maral. The hub has regularly financed PRAG CONSILIENCE, the annual research journal of Pragjyotish College since 2016.

STUDENTS' CAREER COUNSELING & PLACEMENT CELL

The Career Counseling and Placement Cell of the college was constituted in 2001 with the following aims and

objectives:

- 1) To provide information regarding higher study options and careers.
- 2) To create awareness about self-employment and entrepreneurship career options.
- 3) To provide basic information about opportunities for self-employment and entrepreneurship and support system available.
- 4) To provide assistance to students for recruitment in various organizations from time to time.
- 5) To provide job-oriented training to students seeking jobs.

In addition to the Career Counseling Cell, there are other counseling cells run by some of the departments. Dipika Roy Medhi, Associate Professor of Philosophy, is its Coordinator.

COLLEGE MAGAZINE

The college magazine PRAGJYOTISHIYA is the springboard for the students for developing their literary and other finer sensibilities. It publishes articles and creative write-ups and reviews of educational, cultural, social and sports activities contributed by students and teachers of the college. The magazine is published by a student editor under the guidance and supervision of the Editorial Board.

STUDENTS' UNION

The Pragjyotish College Students' Union (PCSU) is the general body of the students of the college. Its membership is compulsory for every student admitted to the college. The PCSU has its own constitution. The office bearers of the Union are elected annually through the method of direct voting. The Union endeavors to foster and promote fraternity, mutual understanding and sense of responsibility among the students. The Students' Union organizes games and sports, debates, cultural and social activities among the students during the College Week, which is organized annually.

CANTEEN FACILITY

The college has a canteen that provides various food items to students, teachers, employees and visitors at reasonable prices.

DAY CARE CENTRE

Inaugurated in 2012, the Day Care Centre has provided for basic amenities to lady teachers and women employees to take care of their infants during their working hours in the college. Dr. Reena Barman Kalita has been in-Charge of the Day Care Centre.

GYMNASIUM HUB

A modern Gymnasium Hub was set up in 2016 under RUSA grant for students, teacher and non-teaching staff of the college.

HEALTH CARE & MAINTENANCE COMMITTEE

A Health Care Promotion and Maintenance Committee is constituted in 2019 to provide sound mental, spiritual and physical health to students' teaching and non-teaching staff. To fulfill the objective, a Yoga session for teachers has already been started in May, 2019.
