Respected Sir/Madam,

I have the pleasure of informing you that Takshashila School of Civil Services is starting a mission to generate awareness among our youths about various career options through a series of Career Counselling Seminars in Institutions of Higher Education in the state.

We have a pool of experienced faculties drawn from different disciplines who will be the leading resource persons for the seminars.

We believe your students will be greatly benefited from this initiative, and we assure you that we will make every effort to deliver a valuable and insightful experience.

I appreciate your consideration, and we look forward to your positive response.
