Sub: Appointment as Examiner for Theory Paper(s)

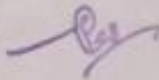

Sir/Madam,

As directed by the Honourable Vice-Chancellor of Gauhati University, I have the honour to inform you that you have been appointed as an Examiner for Income Tax Law & Practice Paper - 2nd Semester of B. Com. Examination, 2023. But, in case, any of your relation is/are appearing in the said examinations, the matter may be pointed out to the Dy. Controller of Examinations immediately before accepting this appointment. You are requested to kindly take note of the rules given overleaf and follow those in letter & spirit. You are also requested not to disclose anyone the name(s) of the particular centre(s) from which answer scripts have been allotted to you by the Zonal Officer. If you are approached by a candidate or by anyone, on behalf of a particular candidate, to divulge his/her results or do unwarranted favour, please report the matter immediately to the undersigned with the Roll Nos. of the concerned candidates.

You are very much aware that the success of the Semester depends entirely on the cooperation of all teachers involved, mainly in submitting evaluated scripts right on schedule. I would like to make a sincere appeal to you for prompt action and your Principal/HOD for sparing your service for the same. For maintaining the Academic Calendar for greater interest of the students of this University, the authority will be compelled to take-up these matters at a higher level, if there are inordinate delays in evaluation or refusal of evaluation, since AICTE/UGC norms stipulate examination duties as compulsory for all teachers.

You will offer TA/DA and remuneration by the Zonal Officer of the concerned Zone on completion of your stipulated work as per prescribed financial rules of the University. Anticipating your kind cooperation,

Yours faithfully,

COURSE TITLE: Geoheritage Conservation

COURSE CODE: GEL-AOC-001

NAME & DESIGNATION OF COURSE COORDINATOR: Dr. Manjit Kumar Mazumdar,
Associate Professor

TOTAL CONTACT HOURS: 30

OBJECTIVE OF THE COURSE: Proper understanding of the concept of geoheritage conservation and other associated concepts, is in a state of infancy in India. Geoparks, although are officially UNESCO recognized sites, and although being considered to be of second in rank after World Heritage Sites, does not exist in the Indian sub-continent. On the contrary, geoparks has been successfully functioning in other nations across the globe ever since the year 2000, and has established themselves as powerful sustainable development tools. In spite of having enormous potentialities and prospects, attempts towards setting up of geoparks in India have not materialized till date, due to the lack of proper understanding as well as professional expertise and knowledge on various allied aspects. The present course is an attempt to bridge the gap in this knowledge domain, which shall lead to the successful breeding of an enlightened generation of geoconservationists, motivated and geared up to set up successful working models of geoparks in the country.

COURSE OUTCOME: Students shall gain adequate knowledge on various allied aspects related to geoheritage conservation and how such tools can lead to sustainable development of people and regions. Students will also gain base level training on the knowledge required to set up geoparks in any prospective locality of the region.

SCOPE FOR ON-JOB TRAINING FACILITY: There is no scope for on-job training, since this is the first course of its type in India, and no professional geoconservation agency exists in India. However, in future attempts will be made to adopt experiential learning modes through appropriate tie-ups.

TEACHING METHOD: Classes will be held in blended mode, both offline and online. Offline classes will be scheduled during any convenient time slots on working days. Online classes will be scheduled after college hours and on holidays. External experts may be engaged for taking online classes, which will be not more than 10% of the content hours. Apart from theoretical sessions, the students will be acquainted with various successful geoparks through documentary videos.

COURSE OUTLINE:

UNIT 1: Introduction (4 hours)

- Concepts of geodiversity, geosites, geoheritage, geoconservation, geotourism and geoparks
- Classification and significance
- International geoconservation designations: World Heritage Sites, Ramsar Sites, European Designations (SPA, SAC, ASSI, NNR, AONB)

Sir/Madam,

As directed by the Honourable Vice-Chancellor of Gauhati University, I have the honour to inform you that you have been appointed as an Examiner for 6th Sem.....paper. Let. no. H.T.M.E. of C.A./B.Sc. Examination, 2023. But, in case, any of your relation is/are appearing in the said examinations, the matter may be pointed out to the Dy. Controller of Examinations immediately before accepting this appointment. You are requested to kindly take note of the rules given overleaf and follow those in letter & spirit. You are also requested not to disclose anyone the name(s) of the particular centre(s) from which answer scripts have been allotted to you by the Zonal Officer. If you are approached by a candidate or by anyone, on behalf of a particular candidate, to divulge his/her results or do unwarranted favour, please report the matter immediately to the undersigned with the Roll Nos. of the concerned candidates.

You are very much aware that the success of the Semester depends entirely on the cooperation of all teachers involved, mainly in submitting evaluated scripts right on schedule. I would like to make a sincere appeal to you for prompt action and your Principal /HOD for sparing your service for the same. For maintaining the Academic Calendar for greater interest of the students of this University, the authority will be compelled to take-up these matters at a higher level, if there are inordinate delays in evaluation or refusal of evaluation, since AICTE/UGC norms stipulate examination duties as compulsory for all teachers.

You will offer TA/DA and remuneration by the Zonal Officer of the concerned Zone on completion of your stipulated work as per prescribed financial rules of the University. Anticipating your kind cooperation,

Yours faithfully,
