1. RESULT ANALYSIS

A result analysis of the students' academic performance at the final semester examination (CGPA), for the various departments and at different level. The performance of the students at the first semester examination was compared against their final semester examination to gauge their academic improvement after enrolling in to this college. The analysis revealed a positive trend of development in the students' CGPA score in the final semester results. The CGPA score for all departments under analysis were above 6.00 which reflects a very healthy academic performance of the institution; thus, signifying the attainment of PO, PSO and CO of the course syllabus.
