1. One day National Workshop on IPR

ONE - DAY NATIONAL WORKSHOP ON "Intellectual Property Rights"

Date: 19.06.2019

Concept note

Intellectual property refers to creations of the intellect: inventions, literary and artistic works, and symbols, names and designs used in commerce. Intellectual property rights are like any other property rights. They allow creators, or owners, of patents, trademarks or copyrighted works to benefit from their own work or investment in a creation. These rights are outlined in the International Declaration of Human Rights, which provides for the right to benefit from the protection of moral and material interests resulting from authorship of scientific, literary or artistic productions. The different types of intellectual properties are: Patents, Trademarks, Trade Names and Design. Intellectual property is traditionally divided into two branches: "industrial property" and "copyright." Intellectual property law aims at safeguarding creators and other producers of intellectual goods and services by granting them certain time-limited rights to control the use made of these productions. These rights do not apply to the physical object in which the creation may be embodied but extend to the intellectual creation.

hotspots of the world. Mr Phukan made a significant statement that 'tourism as a platform can be used to fulfil Sustainable Development Goals (SDGs)' and Government's policy is directed towards sustainable tourism.

Speaking next, tourism entrepreneur Arijit Purkayastha said Assam has diverse tourism potential - like bicycle tourism, birding, heritage tourism and village tourism. He called upon the students to explore the potentiality of the diverse sectors of tourism and be entrepreneurial. He further stated that his tourism firm believes in the immortal song of 'Bharat Ratna' Dr Bhuben Hazarika "Asom amar rupohi, gunoru nai sesh, Bharatore purba dinor Surja utha desh" (Our beautiful Assam, with endless qualities, India's eastern land of the rising sun).

Sanjay Thakur - Director of H/S East India Travels, another tourism entrepreneur, shared his experience of implementing innovative tourism ideas to suit the needs of inbound tourists. Thakur stated "We started small and slowly added itineraries and a product mix that suits our company's strength." He pointed out that the first FDI (Foreign Direct Investment) in the tourism sector of the state is the Assam Bengal Navigation Company Pvt. Ltd which have pioneered river cruises on Brahmaputra since November, 2003.

ATDC's Tourist Information Officer Hiron Saikia stated that the seed of entrepreneurship should be planted in educational institutions. He further stated that it was wrong to feel that a government job gives complete satisfaction, and made the students aware of entrepreneurship and also job prospects in the tourism sector.

Thereafter an interactive session was held where questions were raised by Sangita Deka (2nd Semester) and from 4th Semester, MTH - Silpi Sikha Devi, Dipsikha Goswami and Anamika Thakuria, to which the resource persons responded. Senior faculty members of Economics, MTH and Botany also participated.

Bornali Mahanta, HoD of MTH, offered the formal vote of thanks. The workshop concluded at 2:45 pm.
