PROPOSAL for Add-on-course

Department of Mathematics
Pragjyotish College, Guwahati-09

COURSE TITLE: A course on quantitative aptitude for competitive examination.

DURATION: 1st March, 2023 to 31st May, 2023.

NAME OF THE COORDINATORS: Dr. Gireen Ch. Das, Dr. Amarjyoti Dutta and Dr. Jibonjyoti Buragohain.

DESIGNATION: Assistant Professor.

OBJECTIVE OF THE COURSE:

- To enhance the problem solving skills.
- To improve the basic mathematical skills.
- To help students who are preparing for any type of competitive exam.

OUTCOME OF THE COURSE:

On completion of the course, students will be able to

- use their logical thinking and analytical abilities to solve quantitative aptitude questions for competitive exams.
- take charge their learning through good classroom habits, time management and persistence.

TEACHING METHOD :

- Theoretical.

COURSE OUTLINE:

UNIT I :

Number system, HCF and LCM of numbers, Ratio and Proportion.

UNIT II :

Decimal and Fractions, Simplification, Square roots and cube roots.

UNIT III :

Percentage, profit and Loss, Time and work, Simple interest .

Brief description of the activity/ event: The topic of discussion was on 'Ethical Foundation of Code of Conduct'.

The deliberation was divided into two parts. The first part was informative with regard to ideas on code of conduct and in the second part discussion was done from the deontological standpoint. The difference between code of conduct and code of ethics was highlighted. Moreover, Ugc recognised codes of conduct for the teachers as well as for the students were also highlighted.

Outcome of the activity/ event:

Students were highly enlightened with this informative talk based on code of conduct. They got to know about the responsibilities they should carry forward and also got to know how good conduct could be determined independent of any code of conduct.
