Openings for Research Assistant
with Prof. Chetan Subramanian (IIM Bangalore) & Prof. Ankit Kumar (IIM Calcutta)

Number of positions: 01

Work description: The candidates will be expected to assist with ongoing research projects in Macro-Finance.

Nature of Work: The work will be mainly empirical. Empirical work includes data setting, coding for analysis and writing reports.

Qualifications: Candidates with a Master's in Economics, Statistics and Applied Mathematics are eligible to apply. Candidates with a Master's Degree or Bachelor's degree in Engineering disciplines are also encouraged.

Eligibility: Candidates must have a good knowledge of Python or MATLAB, and an ability to learn new languages on-the-go. Ideally, candidates will have prior experience handling data sets. Candidates with a good understanding of data setting, data analysis and writing report will be given preference. Relevant letters of recommendation are welcome, but not necessary.

Tenure: The initial appointment for the position is for four months, with a possibility of extension up to eight months.

Compensation: The selected candidate will be offered a competitive monthly salary based on prior qualifications and experience.

Location: Ideally candidate has to be on the IIM Bangalore campus. However, open for work from home mode or Hybrid mode depending upon the qualification of candidate.

How to apply: Please email your CV, letter of recommendation (optional) and any other supporting material to ankitk@iimcal.ac.in with the subject "RA application-2024." Within the CV, include one paragraph (less than 80 words) to describe your knowledge and skill of handling data or writing report.

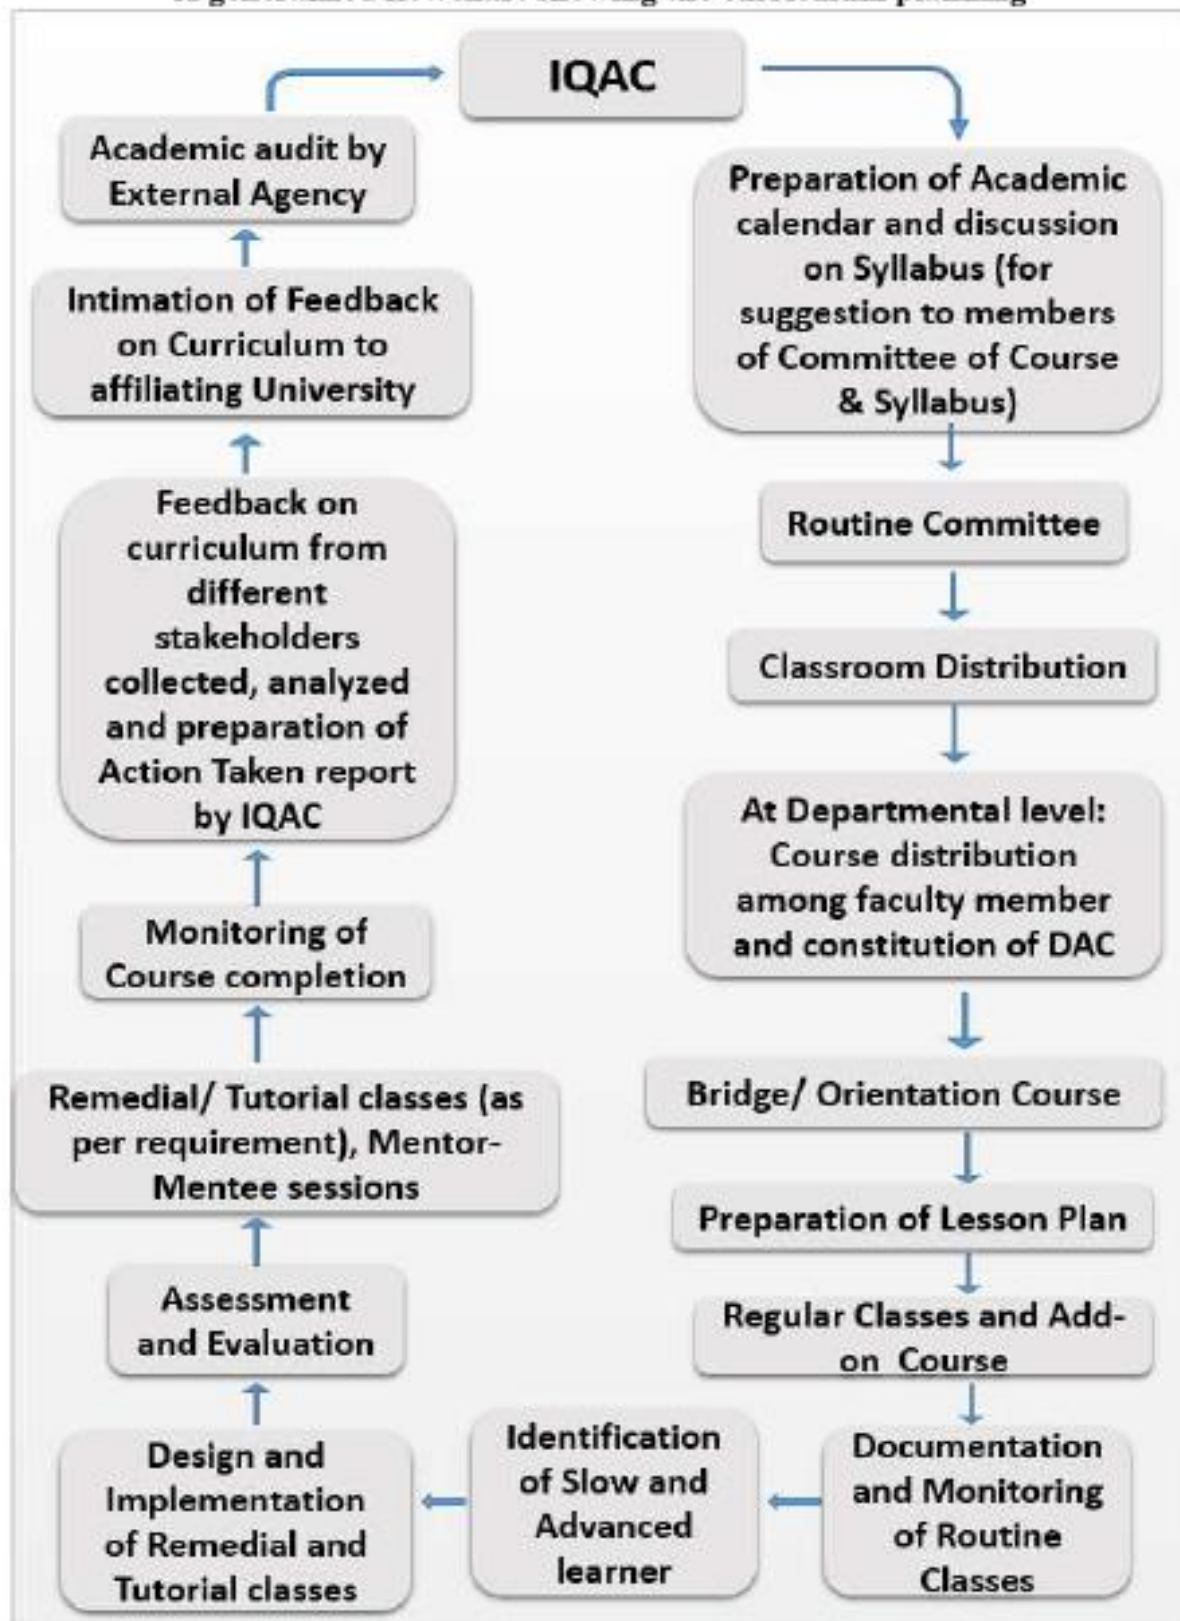

Deadline for application: Rolling till 31st April 2024.

Date of joining: as soon as possible after selection.

14-04-2024
Research Assistantship call. PG passed out students are encouraged to apply

Advanced and Slow Learner

Method of selecting Advanced and Slow learner (AL, SL):

The Department of Zoology screens AL and SL based on the following methods-

1. Attentiveness: Students are monitored on the basis of their attentiveness and their participation in the classroom student-teacher interaction process
2. Class test - Based on the marks obtained in their class test, SL and AL are segregated and remedial classes are arranged for the SL for their improvement

Welcome to Pandit Tirthanath Sarma Library, Pragjyotish College

PANDIT TIRTHANATH SARMA LIBRARY (Visit Library Site)

History: The PTNS Library was established in 1954 by Pandit Tirthanath Sarma, the founder principal and an eminent scholar, in a tiny room attached to his office at Sonaram H.S. School with a modest collection of about 150 books. In 1963, the library was run in one room with a collection of 700 books. The library developed continuously and it was shifted to its own permanent building in 1991. At that time, the library collection was nearly 35,000 books. The college library was named after Pandit Tirthanath Sarma on February 24, 1995. Since its inception, the college library is striving for providing maximum support to the students as well as teachers in the teaching learning process. The library is very rich in terms of collection of Assamese and Sanskrit Literature. Presently, the library is running with Radio Frequency Identification (RFID) Technology. The library is linked up with INFLIBNET. Besides other modern services, the Pandit Tirthanath Sarma Library provides access to e-journals.
