

Programme Outcomes (POs) of Undergraduate Degree Course

Our College is permanently affiliated to Gauhati University and it follows the programme wise curriculum designed by the university. However, our College has its own mechanism to communicate the learning outcomes of the curriculum to the teachers and the students. The **Programme Outcomes (POs) of Undergraduate Degree Course may be stated as follows:**

1. **To Acquire Knowledge with human values:** The B. A./B. Sc. Programmes enable the students to acquire knowledge with human values framing the base to deal with various problems in life with courage and humanity.
2. **To provide a base to be a Responsible Citizen:** The B. A./B. Sc. Programmes provide the base to be a responsible citizen.
3. **To create awareness about Environment and Sustainability:** The B. A./B. Sc. Programmes help to understand the various issues of environment degradation and sustainable development.
4. **To teach Analytical and Problem Solving Skill:** The programs also help to understand the situation rationally, logically and analyse and solve any problem adequately.
5. **To be acquainted with the Socio-Economic Critical Thinking:** The B.A./B.Sc. graduates will be acquainted with the social, economical, historical, geographical, political, ideological and philosophical tradition and thinking.
6. **To provide Employability Skill:** The programs also empower the graduates to appear for various competitive examinations to get employment or to choose the post graduate programmes of their choice.
